

MENTOR 600

Comprehensive online training in Documentary Credits and UCP 600

Course overview

12 hours of online training in the operation of letters of credit and the application of UCP 600.

■ DC Essentials

Provides a firm foundation in the understanding of the function and operation of letters of credit and their risk characteristics compared to other traditional trade products.

■ Documents

Examines each of the documents that can be presented under letters of credit and highlights how their data content must comply with the relevant provisions of UCP 600.

■ Case studies

This module enables users to put the understanding of the operation of letters of credit and the application of UCP 600 into practice through a series of interactive case studies.

■ Assessment

The assessment enables the trainee to test their understanding of letters of credit and UCP 600.

Benefits

- The course content is written by the world's leading trade finance experts

- One year access
- ICC certificate of achievement sent to you upon completion
- Trainees who complete Mentor 600 qualify for 12 PDUs towards recertification for the Certified Documentary Credit Specialist (CDCS) accreditation.

Price
