## BIOGRAPHY

Haitham is an Independent Expert Witness, ADPR & Project/Construction Management Advisor (Energy/O&G)

Since 2018 till date he is a registered as Expert Witness (Engineering) in all the UAE local and federal courts plus some of the arbitration centres, he practiced Conciliation while executing court assignments, managed to resolve the dispute in 22 assignments, totalling more than 440 assignments form UAE local /Federal courts and Arbitration centres.

In July 2023 he became **Accredit Mediator** by CEDR, currently participating in CIARB mentorship programmes (at UAE branch as Program Facilitator & Egypt Branch as mentee). Completed Module 1 to 5 on **FIDIC contracts**. Fully aware of **ICC Rules** of Arbitration and Mediation, Participated in Vis-Moot Mock arbitration at ADGM, He is professionally and technically geared up as **Arbitrator and Mediator**.

Prior that, he started his working journey since June 1993 even prior Graduation. He spent 5 years in Marketing and Mechanical Maintenance, then around 2 decades in the O&G Industry, with wide exposure to Greenfield, Brownfield and Integrity Projects, drilling rigs, worked mainly at offshore oilfields and sometimes at onshore oilfields, HQ's and fabrication yards and on board several types of marine units,

Haitham Holds a B. Sc. In Mech. Engineering (1995), Some M.Sc. Study in Mech Engineering (2000) - Alexandria University, Egypt. And PG Diploma in Offshore Engineering from the Arab Academy for Science and Technology, Egypt, 2010.

He Volunteered for decades with International and Local organizations such as PMI, CIARB, IMarEST, PCE-UAE, volunteers.ae, internationals.org, he is a **Licensed Volunteer** from Abu Dhabi Department of community development and more, all these qualified him to obtain the **UAE Goolden Visa Category of pioneers of Humanitarians (2022-2032)**.

He is also a Public Speaker, Coach, Facilitator and Trainer, recently obtained a trainer Page from London institute of Banking and Finance.
